A discussion of whether or not the MRAC meeting night could be changed to every other Thursday instead of every evening. Charles Kaetel moved and Gene Wille seconded that the chairman appoint a committee to study this matter. Members selected for this committee included Gene Wille, Charles Kaetel, Frank Seboth, and Emil Felber.

An extensive TVI report followed and a few recent cases were discussed.

Motion by Gene Wille to adjourn and seconded by Charles Kaetel was made. Meeting adjourned 23:16.

Respectfully Submitted,

Edward Buchholz, W9WBZ
